Yerevan , Armenia , +374 94 535279, grigori.aramyan@gmail.com

PROFESSIONAL SUMMARY

Full Stack Developer with 10+ years experience in building scalable web applications and internal tools that drastically improve efficiency. I am self-motivated and self-taught professional who likes challenges. I merge a passion for usability and user experience with technical knowledge to create miscellaneous and atypical digital experiences. Throughout my career I have implemented more than 50 web applications and e-commerce.
